Oxford and Cambridge

Oxford and Cambridge are the UK's oldest and most prestigious universities, with a global reputation for academic excellence. These universities have extra requirements, and applicants must send an 'early application' to apply. Almost every department requires students to take extra admissions tests, and shortlisted candidates are invited to interview.

1. **UCAS Application** (15 Oct)
 - Personal Statement
 - Teacher's reference
 - Grades
2. **Cambridge SAQ** (22 Oct)
3. **Admissions Tests** (Early Nov)
4. **Written Submissions** (Nov)
5. **Interviews** (Dec)

Imperial College

Imperial College London is one of the most prestigious and competitive universities to apply to in the UK for STEM subjects. If you apply to Imperial you will be assessed on your grades and the quality of your personal statement. Departments such as Mathematics and Medicine also use external admissions tests to evaluate candidates.

1. **UCAS Application** (15 Jan)
 - Personal Statement
 - Teacher's reference
 - Grades
2. **Admissions Tests** (Early Nov)
3. **Interviews** (Dec-Feb)

Medicine

Applicants for Medicine can apply to up to four medical courses by the early deadline of 15 October. Personal statements are written very differently from other subjects, focusing on work experience, medical ethics, healthcare systems, and research developments. Medicine applicants are advised to apply for some universities that require the UKAT admissions test and some that require the BMAT. Most universities assess applicants through academic interviews.

1. **UCAS Application** (15 Jan)
 - Personal Statement
 - Teacher's reference
 - Grades
2. **Admissions Tests** (UCAT - Summer, BMAT - Nov)

UCAS Application & HK Top Universities Admissions Support

- **Overall Consultations, Evaluations, Counselling.** The application process is widely known to be complicated. Knowing this, we constantly consult with our students and parents to understand the matching degree of the desired major. Provide suggestions and tailor-made programmes to improve success rates to ensure that we can help them achieve their academic goals.
- **Personal Statements and Essay Edits.** Sometimes, students find it difficult to express themselves fully in writing. Our editing staff have vast experience co-editing and brainstorming ideas to help students.
- **Interview Preparation.** Essay applications are just the first step. Most top universities require applicants to come in for an interview – this can be an extremely intimidating experience for many. We will make sure to prepare students for this daunting experience by providing all possible interview scenarios.
- **Customized College List.** Our specialists create student-specific college lists as suggestions based on individual needs, interests, and our students' personal qualifications and achievements.
- **Application Schedule.** Tailored to ensure that the student meets deadlines, stays on track, and remains organised throughout the year
- **Application Strategy and Positioning.** Support leveraging of strengths, unique attributes, and background information within the university application
